

Motions Report

The Motions Report lists all motions filed in your cases by the criteria you select, including case number, assigned judge(s), motion type, and other categories. The system can be set to generate and send you the report at regular intervals.

The screenshot shows the ECF Reports page. The navigation bar at the top includes the ECF logo and menu items: Civil, Criminal, Query, Reports, Utilities, Search, and Logout. The main content area is titled "Reports" and is organized into four columns: "Civil and Criminal Reports", "Quality Control Reports", and "Miscellaneous".
