Most of these courts have official websites that include links to the texts of their decisions.

In addition, the Project on International Courts and Tribunals, <http://www.pict-pcti.org/>, contains helpful information about a wide range of international and regional courts. Useful articles that provide general discussions of international courts include the following

Karen Alter, Private Litigants and the New International Courts, 39 *Comparative Political Studies* 22 (2006)

Cesare Romano, The Cost of International Justice, 4 *Law and Practice of International Courts and Tribunals* 281 (2005)
