

In the Name of ALLAH

I, Slave of ALLAH, Zacarias Moussawi
Today the 22^{sd} of April 2002, after being
prevented for a long time, to mount an
effective defense by overly restrictive and
oppressive condition of confinement,
take the control of my defense by
entering a Pro Se Defense (self representation
in order to mount an effective defense of the
life that ALLAH the Most Merciful has given to me.

I, slave of ALLAH, Zacarias Moussawi
reject completely the imposition of
the US, so called appointed lawyers:
Dunham, Zeckin, Mc Mahon
and ~~denounce~~ denounce their misconduct and their

intentional ineffective assistance

I, Slave of ALLAH, Zacarias Moussawi
will engage action against the US Department
of so called "Justice" for very serious
misconduct reasons, that I will only explain
in open court.

I, Slave of ALLAH, Zacarias Moussawi;
have the intention, in the shortest time practically
possible to hire my own chosen Merlin lawyer
to assist me in matter of procedure and
understanding of US law. This Merlin lawyer
chosen by me only, will not assume any
representation to the US courts on my behalf
and into
during my presence in the US and prosecution

This Muslim lawyer will only provide
expert witness
me with witness and material necessary for
my defense.

US Courts (after Security Clearance)
will not be entitled to engage in any
communication or relations with my
self chosen Muslim lawyer, concerning
any aspect of my case (September 11.)
