MEMORANDUM TO THE MEMBERS OF THE EXECUTIVE COMMITTEE

SUBJECT: The Biden Bill

Judge Peckham has asked that I advise you of his intention to modify or delete the section entitled Assumptions or Assertions Underlying the Legislation, found on pages 1 and 2 of his description and preliminary analysis on S. 2027. Judge Peckham is concerned that this section, as written, could be misconstrued to indicate Judicial Branch acquiescence in these assertions.

A further transmission will be forthcoming later today.
