of the United States Courts
Washington, D. C. 20544

Dear Mr. Mecham:

Chief Judge Cook has appointed me unofficial monitor of the progress of the Civil Justice Reform Act as it wends its way (and hopefully stumbles) through the Cognress.

Can you alert the member of your staff involved in its progress to particularly keep me advised so I can report to our judges.

We hope to make a representation to the Judicial Conference on our views on the proposed legislation.

Best regards,

Avern Cohn
