RE: S.2027 "Biden Bill"

Dear Bob:

To follow up on the memorandum of April 13, 1990, from the Judicial Conference "Karen K. Siegel", in a survey of all judicial officers in the Sixth Circuit, I received only one indication of support for the Biden Bill, and that was from Judge Richard Enslin from the Western District of Michigan, who testified before the Committee in support of the bill. Although all judicial officers did not respond, those who did appear to be very strongly against the proposals.

If you would like any further information about this, you may feel free to call upon me, as I am the newly elected district court representative to the Judicial Conference of the United States from the Sixth Circuit.

Sincerely,

Eugene E. Siler, Jr.
