Dear Mr. Mattos:

The national listing of the various members of the Civil Justice Advisory Committees that was distributed by the AO did not contain all of the information submitted for the committee members from the District of Maine. At Bill Brownell's request, I am therefore enclosing another listing of our members and ask that the national listing be corrected to include the brief biographical information we have provided for the members of the committee in Maine.

Thank you for your attention to this matter.

Very truly yours,

WILLIAM S. BROWNELL
Clerk
