Honorable John F. Gerry
Chief Judge
United States District Court
Post Office & Courthouse Building
Camden, NJ 08101

Dear Jack:

I attended a meeting of the Court Administration and Case Management Committee in Washington. I thought that you would like to know that not only was our Civil Justice Expense and Delay Reduction Plan one of the most outstanding submitted, but the recent annual assessment of the plan submitted by our district was by far the most detailed and comprehensive. We have reason to be proud, as well as appreciative of those responsible for this outstanding effort.

Sincerely,

H. Lee Sarokin
