Dear Judge Gerry:

Thank you for bringing to our attention our inadvertent omission of the district of New Jersey from the list of early implementation districts which we recently sent to the courts along with other information on the Civil Justice Reform Act of 1990.

We sincerely apologize for the mistake. Your district has been included in our updated listing of early implementation districts and I am enclosing a copy for your information.

The hard work and keen interest in civil justice reform evidenced by your court and its advisory group have not been overlooked and are very much appreciated.

Sincerely,

  
Duane R. Lee  
Chief
