Dear Abel:

In response to your call yesterday I am enclosing two documents concerning the development of our case management pilot program. The first, dated January 1992, is the document you requested in our phone call. The second document, dated February 1992, is the more recent discussion paper being used by the working group of judges and Advisory Group members in their meetings to design the pilot.

Please let me know if there is any further information we can provide you.

Sincerely yours,

A handwritten signature in cursive script, appearing to read 'Stephanie E. Smith', written in black ink.
