RE: COPIES OF CJRA REPORT

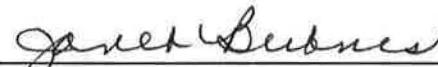

Dear Mr. Mattos:

Enclosed are the items you requested -- five bound copies of the CJRA Report for the Western District of Washington, plus one loose copy.

Sorry I didn't send them initially, but my reading of the statute and guidelines was that distribution to the AO and the other courts in our circuit was to occur only after the court adopted a plan, so the CJRA report and plan would be distributed together. I've still not circulated our report to the other courts in the Ninth Circuit. Should I? Or should I wait until the plan is also ready? I presume that when our plan is adopted, I should send the same five bound copies and one loose copy to you at CAD. Is that correct?

Thanks for your assistance.

Sincerely,
