Attention: David Hopkins

Gentlemen:

After consultation with all of the judges of the district last month, I appointed the advisory group required by the Civil Justice Reform Act of 1990, and am enclosing a copy of a list setting forth the names and addresses of the individuals appointed. I am also enclosing a list of the major categories of litigants that are represented by those individuals.

Although their titles often indicate their position, the chairman of the advisory group has requested the areas that they represent not be distributed to the group. There are several reasons for this, including the fact that many of them represent several categories of litigants and that he wishes for the group to act as a whole to implement the purposes of the Civil Justice Reform Act.

In the event that there are individuals who find they cannot serve, I will forward an updated list at the appropriate time.

Sincerely,

  
SUSAN H. BLACK
